## CONSCIOUS LEADERSHIP BOOK LAUNCH

Bellingen Library is delighted to host author Rod Macpherson as he launches his new book 'Conscious Leadership: Beyond Perception and Belief'.

In his book Rod explores why we're stuck in a spiral of fear driven behaviour that results in the exploitation of our natural resources, and each other, with little consideration for the impact on our precious world.

He argues that we create our own reality, and therefore, we can create the life and world we want. Learn how to:

- explore your personal power and take responsibility for your life;
- take personal responsibility in order to save the environment;
- find new ways for economies, environments, businesses, and individuals to co-exist in sustainable ways;
- apply discoveries in quantum connectedness to promote education and leadership models.

Shire Librarian, Sharon Uthmann invites interested community members to attend the launch and meet Rod on Tuesday 15 March at 11.00am.

Contact Bellingen Library for further information and bookings on 6655 1744.
