Bellingen Shire
COUNCIL

Keeping our Community Informed

DISCOVER THE NEW PUBLIC COMPUTERS AT YOUR LIBRARY

The Bellingen Shire Branch Libraries have updated their public computers to ensure our community has access to the latest Microsoft Office and internet browsers such as Chrome, Firefox and Internet Explorer.

To ensure your security and privacy, the computers refresh themselves each time they are restarted, and users cannot download or save any programs or documents to the desktop. This ensures the computers have a longer life and open programs quicker.

This latest initiative adds to the technological facilities already offered by the libraries including free wifi, scanning, and the full suite of online resources including eBooks, eMagazines, eMusic and information databases.

Come along and discover the resources and facilities on offer at our local libraries. To celebrate this new upgrade and as part of Library & Information Week, a morning tea will be held at Urunga Library on Friday 27 May at 11.00am.
