

## PIP MAGAZINE NOW AVAILABLE AT BELLINGEN SHIRE BRANCH LIBRARIES

Pip is the magazine for the Australian permaculture community. It is a place for people and groups to connect and share ideas, knowledge and experience as well as to stay in touch with what is happening around Australia.

The magazine is a guide to integrating permaculture and sustainability in your life and includes informative articles on all aspects of permaculture as well as profiles on people, projects, gardens, farms, houses and businesses. There are 'how to' guides, recipes, reviews, courses, a directory containing permaculture related businesses as well as a classified section.

The great news is that PIP Magazine is now available at the Bellingen Shire Branch Libraries. While shelved in Bellingen, members of the library can reserve the magazine from any branch or online via [www.crl.nsw.gov.au](http://www.crl.nsw.gov.au).

This new addition adds to the extensive magazine collection currently available in print or online via our eMagazine platform Zinio. Popular titles include Women's Weekly, Women's Day, Australian Personal Computer, Choice and Australian Home Beautiful.
