HSC SUPPORT NIGHT AT BELLINGEN LIBRARY

Bellingen Branch Library is supporting its young people by offering a study evening for HSC students. On Wednesday 14 September the Bellingen Library will be offering free Wi-fi, free printing, free study space and refreshments.

Both library members and non-members are welcome and students can come along on their own or with a group of study buddies. This will be a safe environment with trained staff on hand if research assistance is required.

Bellingen Shire Council General Manager, Ms Liz Jeremy said "The study night will offer an opportunity for the Shire's HSC students to charge up their study routine and take advantage of library facilities".

"We feel it is a way for the library to support local young people to do their best in their exams and help kick-start their future. We already maintain a collection of HSC Study Guides and related resources in all libraries and this evening will give students exclusive access to the library as well as a unique and supportive study environment," added Ms Jeremy.

The HSC study session is free to attend and will be held at Bellingen Library on Wednesday 14 September from 5.30pm-8.00pm.

No bookings are required and students are free to arrive and leave when they like.
